LETS GET DIRTY

Dirty Donuts Screen Printing Crew

Live Screen Printing is a perfect way to offer the "blink and you'll miss it" exclusivity that VIPs and taste-makers crave. During the collaborative process, party guests get to select a shirt style, the print designs, mixing and matching multiple designs and then watch as their creation comes to life. While the process for each shirt only takes a matter of minutes, party guests have been known to wait or over an hour in line for their chance at a custom T-shirt. Live Screen Printing creates an immediate buzz and becomes the center of attraction for any event no two shirts are ever the same.

Live Screen Printing is the perfect experiential marketing promotion, take your event or party to the next level by creating both an immediate branding message and a tangible memory via custom printed apparel.

INTRODUCTORY

Dirtydonuts started in 2010 as a creative outlet in Malaysia. DIY from the start, the brand has always relied its friends and family to provide support, direction and inspiration. From Day One everything we have produced has come from a desire to celebrate the power and talent of the individual, and the struggle that is required to clear your own path, rather than follow the herd.

This attitude is present throughout our graphics and clothing, whether straightforward in the form of a slogan or message, hinted at by symbolism found in our logos or artwork or by the unique details found throughout our cut and sew pieces.

ABOUT US

A product of the contagious enthusiasm DIRTY DONUTS CREW creates a one-of-a-kind custom interactive art experience for all types of events.

EXPERIENCED

Each event is unique, most run typically 3 -5 hours in duration. Beforehand, DD creates six unique silkscreens based on the event.

The client can provide final art or work with the DD design team to come up with the perfect combination of imagery (at no extra cost).

AT THE EVENT,

guests choose any combination of the six designs to create a custom item live -on-the-spot.

THE GARMENTS

are ready-to-wear and completed in under 1 -3 minutes each.

HOW WE RUN THE SHOW

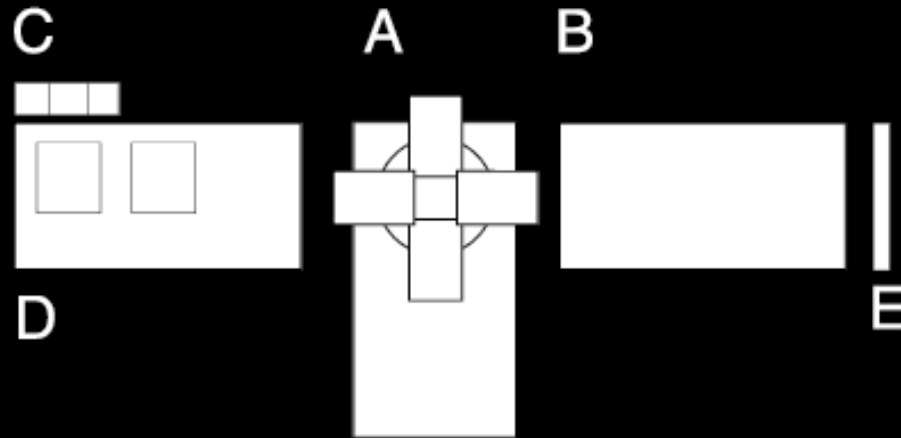

All of the printing equipment, screens, ink, supplies and working Crew are provided.

Our printer can screen print approximately 50qty items per hour.

All of the equipment is hand-operated, safe, clean, compact and travels conveniently with no special load-in necessary.
